Buddle Findlay is delighted to have been recognised for the second year running at the [2020 Client Choice Awards](#).

We were a [finalist in three categories](#) and are proud to have won the following awards:

- Best Law & Related Services Firm (\$50-\$200m revenue)
- Best provider to Government & Community
- The Best Professional Services Firm (A\$50-200m). We became eligible for this category as a result of winning the Best Law and Related Services firm award. The award covers law, accounting and consulting engineering firms.

Best Law & Related Services Firm (\$50-\$200m revenue) and Best Professional Services Firm (A\$50-200m) were jointly awarded with Bell Gully.

The Client Choice Awards recognise best practice in the professional services industry and are based on clients' votes for professional services firms in Australia and New Zealand. There are no panels, judges or self-nominations. Clients' ratings are meticulously and independently researched by **beaton**, the leading voice of our clients and specialists.

"We are very proud of these awards, particularly as they are based entirely on independent research and direct feedback from clients. Creating an exceptional client experience is at the centre of the firm's strategy, and these awards reinforce that our people continue to work very hard to create that experience. Clearly the health and wellbeing of our people, clients and communities is the first priority in the current context." - Paul Beverley, National Chair.

Congratulations to all the [winners of the 2020 Client Choice Awards](#).
