

Wayne Chapman

27 January 2020

It is with great sadness that we advise that Wayne Chapman passed away on Monday 27 January after a short illness.

Wayne was a senior kaumatua, leader, retired partner, valued employee and friend to many at Buddle Findlay for over 50 years. His most recent role was as a consultant in the Wellington office involved in the residential property market, where he had an in-depth knowledge of the market.

Our condolences to the Chapman family. Wayne will be sorely missed and we pay tribute to his significant contribution to the firm for many years and the wider community.
