**Buddle Findlay reception** on 0800 283 925  
extension 8181 to book a car park.

- The Buddle Findlay car park entrance is located on Victoria Street (between Aon Centre and Page Blackie Gallery).
- To access the car park drive down the ramp and when you arrive at the security arm, telephone Buddle Findlay on 0800 283 925. Advise the call centre operator of your name and the car park you have been allocated and they will raise the barrier arm. Drive to the very end of the ramp, turn a sharp right (it's a one way system) until you arrive at your allocated car park.
- After parking your car, take the lift opposite car park #25 - select G for ground floor. Walk to the opposite side of the building (Willis Street), select 17 on the keypad outside the lifts (the screen above the keypad will display a letter corresponding to the lift you need to go in).
- Leave your keys at reception if you are sharing a tandem car park in case your vehicle has to be moved. When returning to the visitor car park, remember to exit the lift at ground level, walk around to Victoria Street and take the lift to B3.
- The car park barrier will automatically open when your car is in front of the exit. After 6.00pm it is by access card only.
